

DECLARATION OF PERFORMANCE

CE

Reference: LB-DOP-2026-003

1. MANUFACTURER IDENTIFICATION

Wheeler Fabrications Ltd (Trading as: **LOAD BEAR**)
1 Moor Lane, B67 7HH, United Kingdom

2. PRODUCT RANGE & INTENDED USE

Stainless Steel Awning Brackets — Precision engineered for heavy-duty structural support in **domestic and commercial** environments.

3. MANAGEMENT STANDARDS

Manufactured under a strictly maintained integrated management system certified to:
ISO 9001:2015 (Quality) | **ISO 14001:2015** (Environment) | **ISO 45001:2018** (Health & Safety)

4. FABRICATION, WELDING & FINISHING

Welding Integrity: All welds are assessed to **ENTRA** and **CGLI** standards. Fabrication is executed by specialist personnel, including welders who have **held formal coding within their career** to guarantee maximum structural bond.
Surface Finish: Brackets are **professionally powder coated** for superior aesthetic finish and enhanced protection.

5. DECLARED PERFORMANCE & MATERIAL COMPLIANCE

Essential Characteristics	Performance Levels / Verification
Load Bearing Capacity	Internally tested to >400KG load without failure.
Material Certification	Certificates of Conformity are held for all raw materials used in production.
Structural Comparison	Demonstrates higher structural load capacity than standard steel alternatives currently in market use.
Durability	High-grade Stainless Steel substrate with Professional Powder Coating .

This declaration confirms that the performance of the product identified is in conformity with the declared values above. This document is issued under the sole responsibility of the manufacturer.
